1996 STATE ENVIRONMENTAL COMMISSION REGULATORY HEARINGS -

HEARING DATE:

March 26, 1996

LOCATION:

Reno, Nevada

Petition 96007 (R-016-96) to amend NAC 459.970 to 459.9729, the Consultant Certification Program

Petition 96006 (R-011-96) to amend NAC 445B.339 to 445B.351 to make existing state requirements regarding hazardous air pollutants (HAPs) consistent with federal requirements. Repeals NAC 445B.341, 445B.343, 445B.347 and 445B.351

Petition 96008 (R-018-96) to amend 445B.400 to 445B.775 by establishing a program for the regulation of air quality emissions from heavy-duty vehicles as required by NRS 445.631. Proposes amendment of 445B.739 and 445B.767 and repeals NAC 445B.766

Petition 96009 (R-021-96) to amend NAC 445B.001 to NAC 445B.395 by deleting provisions requiring Best Available Control Technology (BACT) for air quality stationary sources not subject to the provisions of 40 C.F.R. § 52.21. Also proposes to amend is the definition of "major source" by excluding particulate matter greater than 10 microns. In addition, definition of "potential to emit" is proposed to be amended to eliminate the provision requiring that air quality operating permits be federally enforceable. Proposed to be amended is NAC 445B.028, 445B.094 and 445B.138

Petition 96010 (R-027-96) proposes to amend 445B.001 to 445B.395 by revising the fee structure.

Response to the request of the Nevada Mining Association made pursuant to NRS 233B.064(2) regarding the Humboldt River Water Quality Standards as adopted in Petition 96003 (R-127-95) on 11/7/95.

September 10, 1996

Reno, Nevada

Petition 96011 (R-071-96) to amend NAC 444A.005 to 444A.470. Proposes to expand the definition of recyclable materials, implement AB 449 of the 1995 session and require more accurate waste tire hauler manifest reporting.

Petition 96012 (R-072-96) to amend NAC 444.470 to 444.7499 by making an exemption for Class II landfills from ground waste monitoring standards as provided by the U.S. Congress.

Petition 96016 (R-116-96) to amend NAC 444.842 to 444.976 by adding regulations that establish standards for management of used antifreeze that is considered hazardous waste and is recycled.

Petition 96017 (R-118-96) to amend NAC 444.842 to 444.976 or by adding new regs to NAC 445A that describe the cost recovery conditions in which the NDEP may seek costs for its oversight of corrective action activities.

Petition 96018 (R-119-96) to amend NAC 444.842 to 444.976 or by adding new regulation to NAC 445A that detail the processes used to evaluate and remediate contaminated soil, ground water and surface water which will pose a risk to human health or environmental quality.

Petition 96014 (R-112-96) to amend NAC 445A.055 to 445A.066 to allow for interstate reciprocity on laboratory certification in addition to third party site evaluations of water quality laboratories.

Settlement Agreements:

U.S. Department of Energy - NOAV 1201

Hycroft Resources & Development Inc. - NOAV 1202

Las Vegas Paving - NOAV 1203

October 22, 1996

Zephyr Cove, Nevada

Petition 96013 (R-086-96) to amend NAC 445A.1917 water quality standards for various tributaries in the Lake Tahoe Basin.

Settlement Agreements:

Silver State Minerals - NOAV 1205 & 1206

Mt. Hamilton Mining Company - NOAV 1204

Workshop on Setting of Water Quality Standards
